- Leadership candidates don't go to HC, just go straight to Diane and Urs. It was always Urs reviewing all the packets, but then Diane inserted herself at a certain point and had us send all packets to her first before they went to Urs, and there were packets she vetoed so they never got to Urs.

- On Nov 17, Ulku's packet got approved by Urs and Sridhar. Diane's feedback wouldn't be put into the system bc she would put her comments in a doc shared with the recruiter, and she would tell the recruiter if it was OK to send to Urs or not.
